Inclusion and Situatedness

In an **inclusive environment**, students of all cultural orientations can freely express who they are, their own opinions and point of views, fully participate in teaching learning, work, social activities and feel safe from abuse, harassment or unfair criticism.

KIMSDU encompasses students from all over India. These students belong to various cultural, economic and social backgrounds. In order to foster an inclusive environment amongst the students of KIMSDU various cultural and sports activities are conducted. Every student gets a chance to participate and express his or her hidden talent. This creates an atmosphere where student feels acknowledged, valuable and equally significant.

KRISHNA SANGAM 3 The 1st Interstate Dental Convention (11th-13th March 2016)

DATE: 14.04.2016

VENUE: School of Dental Sciences, KIMSDU

KRISHNA SANGAM 3, the 1st interstate dental convention which was held from 11th-13th March 2016, themed with “Road Map to Dental Research” indeed was a grand success. The convention was an amalgamation of academics, sports and cultural events giving a great opportunity to all the students to portray their immense knowledge and talent. This was a platform that truly showed us that the students are extremely talented at par in academic, sports, and extra-curricular activities. Our guest delegates were the talented students from KLE Dental College and Aditya Dental College, Beed. A total of 500 delegates attended the conference. The registration counter was arranged outside the Annexure building, KIMSDU. The breakfast was served to all the delegates in the nursing college.

On the **first day**, convention started with inaugural function dated 11th march 2016 at 10.30am in Jupiter hall (Annexure building, KIMSDU). The inaugural function was preceded by Hon’ble Dr. Suresh Bhosale (Chairman and Managing trustee, Krishna charitable trust) present on stage with the dignitaries on the dais Hon’ble Shri Gopalakrishnan (Member Of Parliament, Nilgiri, TN), Hon’ble Shri A.P. Nagarajan (Member Of Parliament, Coimbatore, TN), Hon’ble Shri Selvakumara Chinnayan (Member Of Parliament, Erode, TN), Hon’ble Dr A. V Nadkarni (Vice Chancellor KIMSDU), Dr Atul Bhosale (Chairman, Krishna Sahakari Bank), Dr R .K Ayachit (Director Of Health Sciences ,KIMSDU), Dr Shashikiran N.D (Organizing Chairman) and Dr Siddharth Gosavi (Organizing Secretary).

The students of SDS started the program invocation song followed by which, Dr. Shashikiran N.D. (Organizing Chairman) addressed all the dignitaries on the dais. There was a floral welcome to all the dignitaries on the dais followed with a lamp lighting ceremony by the dignitaries. Hon’ble Dr. Suresh Bhosale (Chairman and managing trustee, Krishna charitable trust) released the souvenir of the conference

and a book written by Dr Sachin Gugwad, "Tooth Teacher", and this book was one of its own kinds for blind children in Braille manuscript.

Hon'ble Shri Gopalakrishnan (Member of Parliament, Nilgiri, TN) addressed the gathering followed by which the presidential address was given by Hon'ble Dr. Suresh Bhosale. The vote of thanks was given by Dr Siddharth Gosavi. The inaugural function ended with the national anthem.

The inaugural function followed with a Guest lecture by Dr. Siddhartha Varma (Department of Periodontology), on the topic "Medico legal Aspects of Dentistry". The indoor games (carom, chess & T.T.) and outdoor games (cricket & volleyball) were conducted where immensely talented students amongst the participating colleges bagged the awards. The lunch was served to all delegates and staff in the nursing college. The evening was followed by the cultural night in the Auditorium (KIMSDU) The Students showed their cultural talent and the programme ended with a dinner in the dental college courtyard.

The **second day** began with a guest lecture by Mr. Kamlesh Ghogle orienting the students about the Colgate initiatives for the dental colleges. The day was academic oriented, where 72 students participated in scientific paper presentations and 33 students in poster presentations. The hard copies of all posters in the form of flexes were displayed on the first floor of Annexure building which showed that participants were abreast with the knowledge. The paper presentations were conducted simultaneously in 3 halls of Annexure building (KIMSDU) and judges of each hall picked up the best of best. There were 2 winners from each batch for paper presentations and 4 winners for the posters. The day ended with super enthusiasm when all of us waited for the winner which was going to be announced the next day. Simultaneously the outdoor games like cricket were conducted on the Krishna school ground. The stalls of all the sponsors were exhibited outside the annexure building where all the delegate students visited with keen interest. In the evening there was DJ Night programme in Greenland Hotel which started by 7.30 pm and ended by 10.00 pm in the night and the dinner was served on the same venue, Greenland hotel.

On the **third day** all the programmes were conducted in Jupiter hall. The convention began with the guest lecture by Dr. Ravi Kiran Ongole who enlightened delegates with oral cancer updates across the globe. The winners of the scientific

paper presentations were announced and these winners presented their papers once again in front of the august gathering. The valedictory ceremony was graced by the dignitaries present on the dais Dr. M.V. Ghorpade (Registrar, KIMSDU), Dr. Shashikiran N.D. (Organizing Chairman) and Dr. Siddharth Gosavi, (Organizing Secretary). Dr. M. V. Ghorpade who addressed the gathering and said that “This is not the end; it’s the beginning of KS4,” Once again putting the responsibilities on our shoulder and pushing all of us to do beyond our best. At the closing ceremony all the winners were awarded with the prizes. The final championship trophy was won by the most deserving SDS, which was graciously given away to the guest college KLE dental college, Belgaum. This showed the true sportsmanship of students and staff of SDS alike. The outside delegates gave a positive feedback on the stage. The conference was concluded by a vote of thanks from Dr. Siddharth Gosavi followed by lunch.

**CONNEXON 2016 –ORGANIZED BY SCHOOL OF DENTAL
SCIENCES, KIMSDU IN COLLABORATION WITH INDIAN
ASSOCIATION OF DENTAL STUDENTS AND INTERNATIONAL
ASSOCIATION OF DENTAL STUDENTS**

15th, 16th AND 17th DECEMBER 2016

The institution conducts conferences and events which replenish a student's capacity to shine and excel inside and outside of his field. Conducting such events on a widespread level also enables the students to discover new talents and provides a break from the conventional student curriculum. In the year 2016, School of Dental Sciences (SDS) had taken up a challenge of hosting a student's conference, in joint effort with Indian Association of Dental Students (IADS) and International Association of Dental Students from 15/12/16 to 17/12/16. This conference vowed to unleash a student's potential just as the theme for the conference suggested. The conference included Scientific, Cultural, and Sports competitions which ensured all round development of a pupil.

Therefore, it is safe to say that this Conference had included all the vital components that causes all-round enhancement of a student. With this Conference, we aimed to increase the interaction between dental students of various colleges and impart a value of healthy competition among them. Also, to establish a sense of unity between the dental students of National and International colleges. Staying true to the theme, this conference revolved around unleashing each individual's potential and directing him/her in the right direction!

Following are the reports of each committee involved in the conference.

REGISTRATION - CONNEXON 2016

KRISHNA COLLEGE OF PHYSIOTHERAPY
CULTURAL WEEK

DAY1: HALLOWEEN DAY

Date: 18th February, 2019.

Venue: Krishna College of Physiotherapy

Krishna College of Physiotherapy started its cultural week, 'CRESCENDO' by celebrating a 'HALLOWEEN DAY'. Halloween is a festival dedicated to remembering the dead, where people light bonfires and wear costumes as a part of the celebrations. The organizing batch had decorated the entire college, placing traditional decorative pumpkins at many corners.

As a part of the festivities, various competitions were held. The tattoo competition and a Drawing competition. The theme for the tattoo competition was 'Horror' and it was judged by Dr. Mandar Malawade. The first prize was won by Miss. Srushti Gaikwad from I year BPTTh and Miss. Siddhi Bhosle from III-year BPTTh was declared the runner-up. The theme for the Drawing Competition was 'Freedom'. The competition was judged by Dr. Pranjali Gosavi and Dr. Prasannajit Nikam, who unanimously declared Dr. Mandar Malawade, the winner in the 'staff' category. The first prize in the student category was won by Miss. Gayatri Landage from final year BPTTh and the second prize was won by Miss. Ankita Jadhav from I MPTh.

In the second half of the day, the staff and students indulged in a game of Dumb Charades. These games were hosted by Miss Devanshi Joshi and Miss Akshanda Dhumale from II BPTTh. The participating teams were – I-year, III-year, IV year and Staff. After a fun-filled match, the final years' team won the game. After the game, a 'Best Drapery Competition' was held. Many students participated in the competition. The first prize, however, in the 'Female Student' category went to Miss. Overview

DENTGURU 2020 was organized successfully on virtual platform with the help of Cisco WebEx app. The event was organised by SDS, KIMSUDU, Karad. The objective of this DENTGURU 2020 event was to participate in the competition that was organised by Indian Society of Pedodontics and Preventive Dentistry (ISPPD). The theme for the event was “Teacher’s Day Week” which included many activities for 5 days. The week-long educational fair consisted of survey, oral presentation competition for teachers, quiz competition for teachers, orientation of “Tooth Teacher Braille” book for visually impaired students and poster competition on dental education for school teachers. The week started with an online survey through google forms to get an insight of knowledge and awareness about oral health in the current COVID era. The forms were sent to school teachers and we received over 150 responses from enthusiastic staff members of various schools from all over India. The second event was speech competition and third day of the week was celebrated with quiz competition which was open for school teachers. All the school teachers participated whole heartedly with immense efforts.

Dean, HOD, Department of Paediatric and Preventive Dentistry, SDS, KIMSUDU,
Karad and Judges.**

This program was held to honour teachers as school is considered a foundation of education and teacher is the artist who moulds the young minds. It is said that teachers can change lives with just the right mix of chalk and challenges. So, teachers were the best asset for this event as they could educate children about oral hygiene.

We received over 25 entries for oral presentation competition. The presentations were ranging from infant oral health to methods of brushing and flossing. Diet charts and good food habits were explained by teachers. The exchange of knowledge by teachers among themselves proved to be an added boon to this event. This competition was judged by 2 eminent judges Dr. Siddhartha Varma and Dr. Abhijit Sande. All the attendees were provided with Certificate of Attendance and participants were provided with Certificate of Participation. The winners were provided with Certificate of Appreciation. Along with this, judges were provided with certificate for judging.

Day 2 was the oral presentation competition with the theme “Imparting dental knowledge and awareness to next generation”.

Day 3 was the quiz competition.

Day 4 Orientation of Tooth Teacher Braille Book for Visually impaired Children

Day 5 was Poster Competition.

DAY 1

KNOWLEDGE AND AWARENESS ABOUT ORAL HEALTH IN CURRENT COVID ERA

The teacher's day week started with an online survey regarding "Knowledge and awareness about oral health in current COVID era" on 19th September 2020.

We received over 150 responses for this survey from teachers all over India.

Pre and post tests were conducted and the results obtained after the post tests were excellent which showed great increase in knowledge regarding Oral Health.

Pretest showed 40% awareness about the oral health and after posttest it was 60% hence, after the intervention 20% increase in the knowledge of teachers about Oral Health was seen.

IMPACT OF DAY 2:

The digital presentation made teachers more aware of the Oral health and diseases.

DAY 3

This session started with introduction to quiz rules and competition by master of ceremony Dr. Ankita Maurya. Quiz competition had three rounds and had seven participants. Every school had a representative staff participating for the competition. This competition included 1st round i.e., Elimination round which had 5 questions for each school. This round was based on General Knowledge questions. The correct answer was awarded with 10 marks and if the respective staff couldn't answer the question, it was passed on to the next participant and if they answer it they were awarded with 5 marks. The marking system was same for further 2 rounds. Based on the marks of the 1st round, 5 participants were selected for the 2nd round. The 2nd round was Picture Round, where we shared pictures to the participant and they had to identify it. This round was based on Oral Hygiene topic. Based on the marks of 2nd round, 3 participants were promoted to 3rd round. The 3rd round was Final Round, which was Rapid Fire Round. Every participant was given 1 minute to answer the respective 5 questions. The questions for this round were based on Dental Emergency Care. Finally, Award was given as 1st prize for quiz competition.

OUTCOME OF THE EVENT-

Due to the ongoing pandemic the Visually Impaired children are deprived of professional dental check-up, so this was a unique platform for their orientation. There is no such curriculum in Visually Impaired School which has text for information regarding Dental and Oral hygiene for Visually Impaired Children. This was one of its Kind interactive session. Pre and Post-tests results were announced and Post tests showed excellent increase in the knowledge.

CONCLUSION

The initiative of our event was to create awareness about “Oral Hygiene” to the teachers.
“A good teacher is like a candle: it consumes itself to light the way for others”. Hence, the next generation will have better knowledge about oral hygiene as the teachers are the best way to reach out to the children.
