UNCONDITIONAL BOND

EXECUTION OF AN UNCONDITIONAL AND VOLITIONAL BOND IN FAVOUR OF INSTITUTIONS IN CONNECTION WITH THE FORFEITURE OF NON-REFUNDABLE EDUCATION FEE PAID UP BY THE STUDENTS TO THE INSTITUTION

That in furtherance of the declaration made by me as stands reflected on the reverse of the application form preferred by me the relevant excerpted portion of the same stands reflected here on. I am also aware that college and hostel fees once paid shall not be refunded in case I need to quit the course I am liable to pay the full amount for the whole course. On perusal of the contents of the application form preferred at the time of joining the said institution, my having duly acknowledged my signature volitionally and voluntarily to the said application form being fully cognizant of the forfeiture clause as stands reflected in the said declaration, I shall hereby execute an unconditional and volitional bond in favour of the institution wherein I am a student or as stated supra being fully cognizant of the forfeiture clause incorporated under the said declaration. I hereby also volitionally, voluntarily and unconditionally undertake that I shall not claim any amount paid up by me towards the college and hostel fees under separate heads either separately or individually or collectively to the institution and I shall hereby also voluntarily, voluntarily and unconditionally undertake to forfeit the full amount paid up by me to the said institution under separate heads towards educational fees either separately or individually or collectively from the institution under any circumstances and in case I happen to quit the course on any point of time before the completion of the course. I shall also hereby declare volitionally, voluntarily and unconditionally that henceforth I positively have no claim over the nonrefundable college and hostel fee paid up to the said institution by me at the time of joining the said institution and further I shall not embark upon any litigation against the management of the institution which I intend to join or wherein I am a student in respect of any claim for the nonrefundable education fee before any court of law or forum or tribunal. Further I am also cognizant of the irrefutable objective fact that if I happen to leave the college on any point of time, the seat provided to me by the management of the institution which I intend to join or wherein I am a student requires to be inevitably kept vacant for the entire period of course as would cause a colossal monetary loss to the management of the institution.
