Celebration of Independence Day and Republic Day

Independence Day is celebrated annually on 15th August throughout the country. It reminds us about nation's Independence from the United Kingdom on 15th August 1947. It was the day when the provisions of the Indian Independence Act 1947 came into effect. Nation adopted the Constitution of India on 26th January 1950. India attained independence because of our freedom fighters, their sacrifices. Republic Day reminds us the date on which the Constitution of India came into effect i.e. on 26th January 1950.

KIMSDU celebrates Independence Day and Republic Day every year at University campus. Flag hoisting ceremony is arranged on the auspicious hands of Hon'ble Chancellor. Students and staff collectively celebrates these days together. Parade by students, NCC cadets, security professionals, fire brigade workers which was followed by a colorful cultural programs in the University campus. A sense of pride towards country's glorious heritage is created in the minds of students. A deep sense of gratitude towards our soldiers, freedom fighters gets reflected in the behavior of students. A feeling of एकदेश, श्रेष्ठदेश is created among staff and students. Celebration of these days inculcates values, sense of responsibility in students of KIMDU.

Value Education

Need of an hour is not only formal school/college education but value education which inculcates value, sense of responsibility towards elderly, parents, society and our country in the minds of students. Holistic development of a child is very important.

Nelson Mandela rightly said: "Education is the most powerful weapon through which you can change the world". He further added both academic education as well as value education has the power to change the world.

KIMSDU and its constituent colleges has adopted value based education. Value education cell is established. Various activities are organized in the university through value education cell and constituent colleges which inculcates values in students.

NSS and Extension Activities

The National Service Scheme (NSS) is an Indian government-sponsored public service program. NSS comes under Ministry of youth affairs. Scheme was launched in Gandhiji's Centenary year in 1969. Aim of NSS is to develop student's personality through social service. NSS encompasses students of colleges and universities and their linkage with villagers. KIMSDU has adopted NSS scheme. Students of all constituent colleges participate in NSS activities. Staff and students work in nearby rural area, they understand rural problems, community needs. Various health checkup camps are organized frequently. In these activities students work by putting hand in hand together.

The main goal of extension and outreach activities is to build effective education and outreach programmes concentrating on effective community health management. It helps to adopt several innovative projects for community participation and improving their quality of life. It helps to sensitize staffs and students towards social issues and develop a people oriented attitude towards the community. This creates an inclusive environment. It inculcates values, ethics and also sense of responsibility towards nation.
